## **B. EXAMINATION HISTORY**

### **1. J. D. DUKE –**

a. After receiving a consumer complaint, the Division scheduled an unannounced examination of Duke's office on December 12, 2004.

Duke's CRD record reflected that he was assigned to a branch in Jackson, Mississippi. When the Division Examiner went to that office, he was told by the MetLife receptionist that she had not heard of Duke. She also stated that the manager was not in and refused to locate someone in authority to speak with the Examiner. Lastly, she denied that securities were sold at that location and refused to allow the Examiner to perform an examination of the office.

b. The CRD information regarding Duke's office location was incorrect. A copy of the individual CRD for Duke is attached as Exhibit "A".

c. The MetLife employee's statement that securities were not sold at that location was incorrect.

d. The MetLife employee obstructed the Division's Examiner in the performance of his examination of that office in violation of MetLife's internal policy. MetLife's Supervisory Compliance Manual provides as follows:

*The SEC, NASD, or state regulatory agencies can examine any OSJ, registered office, or other sales office from which equity products are sold at their discretion and with or without prior notice. MetLife employees should always cooperate when they are contacted.*

After contacting MetLife's home office and speaking with Cohn, the Examiner returned to perform the examination of this Jackson, Mississippi office.

Wilbourne, the designated supervisor of the Jackson office, stated that he did not know Duke. The exam was postponed again. The Examiner contacted Cohn at MetLife's home office to determine the location of Duke.

e. Cohn provided the Examiner with incorrect or false information that Duke was supervised from a Louisiana agency.

Later, Cohn notified the Division that Duke was supervised from a branch in Huntsville, Alabama by Noles. An exam of the Huntsville office was scheduled for March 6, 2005.

## **2. DANNY NOLES -**

a. The CRD information regarding the location of Mr. Noles was incorrect. A copy of Noles' individual CRD is attached as Exhibit "B". It stated that he lived in Montgomery, Alabama, when in fact he lived in Huntsville, Alabama.

Noles was located and interviewed. In the interview, Noles was questioned extensively about Duke's sales. Noles stated that he was not Duke's supervisor for most of the sales. It was discovered that Duke's office was located in Meridian, Mississippi.

Duke's office was located and an examination performed on March 15, 2005, three (3) months after the initial examination was attempted. Duke and his Agency Compliance Manager, Burns, were present for the examination

b. Duke did not have a Compliance and Supervisory Procedures Manual at this location, nor did Duke have online access because he did not have the necessary password to access the manual online.

c. In the interview with the Division's Examiner, Duke did not have the necessary knowledge about some of the products he was selling to fairly represent them to MetLife customers.

**3. WILLIAM J. BYRD –**

As a result of having at least five (5) customer complaints, NASD reported Byrd to the Division. An exam of Byrd was conducted on June 22, 2005. Byrd, Burns and Terry Bagwell, Managing Partner, were present.

a. The CRD information on Byrd was incorrect in that the CRD composite page listed Byrd at an office in Birmingham, Alabama, while the CRD branch office search results and branch office detail pages designated Byrd as a supervisor in Oxford, Mississippi. The CRD composite page is attached hereto as Exhibit "C", the CRD branch office search results are attached hereto as Exhibit "D", and the CRD branch office detail pages are attached hereto as Exhibit "E".

**4. JERRY LYON –**

Examinations of the Laurel, Mississippi and Bay Springs, Mississippi offices were scheduled for July 19, 2005.

a. The CRD record for the Laurel, Mississippi office listed the office as a branch office located at 335 N. 14<sup>th</sup> Avenue, Laurel, Mississippi.

b. Lyon's individual CRD record listed his employment at 3170 Parliament Circle, Montgomery, Alabama, not Laurel, Mississippi. A copy of his individual CRD is attached as Exhibit "F".

Mr. Lyon stated that his office was an NASD registered office and that he supervised Mr. Randal M. Hill.

**5. RANDAL M. HILL –**

a. Hill is also a C.P.A. Hill's business card was not a proper MetLife business card and did not reflect Hill's position with MetLife, in violation of MetLife's internal policies. A copy of the business card is attached here to as Exhibit "G".

MetLife's Supervisory Compliance Manual provides as follows:

*... only MetLife approved stationary and business cards, whether personalized or general, are used by those MetLife FSRs assigned to your Agency. Current policy requires all stationary, business cards and email to identify MetLife as the broker-dealer represented in the offer and sale of variable life insurance and variable annuities. In addition, all stationary, business cards and email must identify MetLife Securities, Inc. (MSI) as the broker-dealer and registered investment adviser used in the sale and servicing of mutual funds, general securities and investment advisory services.*

b. Hill's individual CRD record also listed his employment at 3170 Parliament Circle, Montgomery, Alabama, not Laurel, Mississippi. A copy of his individual CRD is attached as Exhibit "H".

c. Hill's individual CRD record did not reflect any professional designations or outside business activity. MetLife's Supervisory Procedures Manual provides as follows:

*... registered representatives from being employed or accepting compensation as a result of any business activity (other than a passive investment) outside the scope of their relationships with MetLife, unless they provide the SEC/NASD Compliance Unit with prompt written notice of the activity.*

The Examiner followed the Laurel, Mississippi exam with one of the MetLife office in Bay Springs, Mississippi.

**6. RANDAL CAUSEY MATHIS –**

- a. The CRD record listed this office as a registered branch office located at 9 C Bay Avenue, Bay Springs, Mississippi.
- b. Mathis' individual CRD record listed his employment at 3170 Parliament Circle, Montgomery, Alabama, not Bay Springs, Mississippi. A copy of his individual CRD is attached as Exhibit "T".
- c. During the exam, Mathis did not have a Supervisory/Compliance Manual available for review.

**7. WESLEY PLATT –**

On August 8, 2005, the Examiner performed an examination of the office located at 401 7<sup>th</sup> Street, Columbus, Mississippi.

- a. Platt disclosed to the Examiner that he had incorporated a business, Financial Works, LLC, which would be the umbrella company for his financial planning business. This business was not listed on Platt's individual CRD. A copy of Platt's individual CRD is attached hereto as Exhibit "J".

**C. ALLEGED VIOLATIONS**

**1. Incorrect Information Furnished to the Division -**

In seven (7) examinations of registered representatives by the Division, there were six (6) instances of incorrect CRD information on the registered representatives and one (1) instance in which MetLife's home office provided incorrect information on the location of its registered representative. All instances were violations of Miss. Code Ann. § 75-71-115, Miss. Code Ann. § 75-71-321(a)(A), Miss. Code Ann. § 75-71-333(c), and Mississippi Securities Rule 507.

## **2. Failure to Supervise**

MetLife failed to adequately supervise its registered representatives. This failure to supervise was illustrated in numerous ways.

a. MetLife was not in contact with its agents enough to know that the addresses or locations listed for the registered representatives were incorrect.

b. Two (2) of the offices examined did not maintain Supervisory Compliance Manuals in violation of Mississippi Securities Act Rule 521. Had MetLife been properly supervising these offices with regularly scheduled on-site visits, these violations would have been discovered.

c. If MetLife had been properly training and supervising staff, the receptionist in the Jackson, Mississippi office would have cooperated with the Division's Examiner instead of denying that securities were sold at that location and refusing to allow the Examiner to perform the examination in violation of Met Life's internal policy, Miss. Code Ann. § 75-71-333(d) and NASD Rule 3010. A violation of NASD Rules is a violation of Mississippi Securities Act Rule 523(A)(23).

d. MetLife's lack of knowledge of the outside activities of its representatives (*Hill and Platt*) reveals a lack of internal policies and procedures necessary to obtain and verify this information. This was a failure to supervise in violation of Miss. Code Ann. § 75-71-321(b)(A) and NASD Rules 3010 and 3030. A violation of NASD Rules is a violation of Mississippi Securities Act Rule 523(A)(23).

e. Duke's lack of knowledge about the costs associated with the products he was selling illustrates the lack of training and supervision by MetLife. Due to his lack of

knowledge, he was unable to fully and fairly disclose all necessary information about these products to MetLife customers.

### **III. CONCLUSIONS OF LAW**

A. The Secretary of State of the State of Mississippi has jurisdiction over this matter pursuant to Miss. Code Ann. § 75-71-107.

B. The Secretary of State of the State of Mississippi finds the following:

2. Respondent failed to adequately supervise its registered representatives which resulted in violations of Mississippi Securities Act Rule 521; Miss. Code Ann. § 75-71-333(d); NASD Rule 3010, which is a violation of Mississippi Securities Act Rule 523(A)(23); Miss. Code Ann. § 75-71-321(b)(A); and NASD Rules 3010 and 3030, which are violations of Mississippi Securities Act Rule 523(A)(23).
